

Dear Valuable Partner,

Let me introduce you our company and tell you some words about
ITS Logistics Hungary Ltd.

ITS Logistics Hungary Ltd. was established in 2012. We organized our division around a small but **highly motivated, experienced and enthusiastic staff**: our colleagues have many-many years of **experince** in the freight forwarding industry.

IT'S AIR FREIGHT

ITS Logistics Hungary Kft. offer you the solution for **flexible and personalized airfreight services** by using the most favourable transport lines in order to deliver your freights **quickly and reliably** door-to-door in the most countries.

We are in contact with all the available airlines and several hundreds of partner offices guarantee worldwide the reliable and punctual export-import freight forwarding, so please contact us in connection with your air freight forwarding tasks.

IT'S TIME SENSITIVE

We offer **special service pack** for automotive, high-tech, oil and gas, film and music, and aeroparts industry called IT'S Time Sensitive.

It is our **premium service**, which offers you a wide variety of solutions getting your time-sensitive and high value cargo **anywhere on the globe**.

Among our solutions you can find **chartering, express customs clearance** even after office hours or at weekends, **hand-carry/on-board courier solutions** door-to-door, **express vans, or security trucks** with GPS and Driver Identification support with 2 drivers for the fastest delivery to catch requested time-table at unloading place.

IT'S OCEAN FREIGHT

We are at your disposal with weekly LCL and FCL solutions by selecting the most economic transport routes. Please contact our office and we help you to choose **the quickest shipping line or LCL transport.**

In case of LCL we offer **direct groupage services**: the sea container arrives from the main port of the USA and the far-East directly to Budapest and the opening takes place here. This service offers besides of favourable fees the **short transit time and the highest cargo security.** Of course we have solutions for transshipment via Hamburg and Koper, ensuring upon request the custom clearance in the first EU port.

IT'S ROAD FREIGHT

We are at your disposal with the reliable and economic management of **partial cargo or quick full cargo** road freight forwarding from one pallet to 24 tons full truck.

We have several hundred trucks at our disposal, which guarantee the **reliable and precise transport** both for export and import, so please contact us in connection with your road freight forwarding tasks.

IT'S SPECIAL

ITS Logistics Hungary Kft. know the requirements of the **high value good transportation** and the demands of the customers using this service as well.

Due to our many years experience in this field, we offer to our customers **wide-range solutions** for this kind of transport.

Within the frame of IT'S Special service package our company offers **worldwide door-to-door solutions** for the air and road freight forwarding of **high value goods**.

IT'S CUSTOMS

We are at your service with our import customs clearance services **in the country of origin**, at the Hungarian destination and within the fiscal customs clearance within the EU.

The **experienced and skilled staff** of our customs broker partner can help you to understand the different regulations and can ensure you a **flexible, efficient and personalized customs clearance**.

IT'S PACKING

Our company undertakes the **packing of your freights** in order to protect them against external influences during the transport.
We offer solutions for the packing of sea freights, where **the precise packing** is utmost important because of the stress during the forwarding.

IT'S MOVING

Do you move abroad or to Hungary? Our worldwide partner offices are at your disposal to arrange a smooth moving.
We assist you in the packing, loading and customs clearance of your personal effects and **take the burden of moving off your shoulders**. We help you to forward according your requirements your personal effects door-to- door from and to any destination in the world.

We are proud to handle **all types of cargo** by AIR/OCEAN/TRUCK from small shipments and personal effects all the way up to large project shipments with heavy lifts of some tons. Our goal is to provide **the highest quality service** to our customers, and to **be proud of the work we do**. Our foremost responsibility is to ensure that freight movements entrusted to our care arrive in the right place, at the right time, and at an **acceptable cost**. We only use suppliers who meet our quality standards, we constantly monitoring their performance and ensuring they supply the standard service our **clients expect**. We are investing continuously in the resources and training required to enable us to provide a **global logistic service** for all of our customers.

Our colleagues are available 24/7, please do not hesitate to contact us anytime at:
