Total 63 Employees

4. Global Network Infra

BLS Corp . has for years been searching the best logistics service provider at a respective area. Specially, we have been all the times trying to find out a proper agent whose service is suitable to the customer. For instance, we emphasize a customer service mind, a language service, a commodity differentiation service, a special regional service, etc. Moreover, we have been successfully managing the overseas partners by PRM System. In result, the partners have also for years been well cooperating to provide the best competitive service to BLS Corp valuable customers.
