

The logo consists of the letters 'P' and 'W' in a stylized, bold, serif font. The 'P' is dark red and the 'W' is gold. They are set against a white circular background.

WORLD AT THE CENTER

# COMPANY PROFILE

# About us

A collage of global logistics imagery. At the top, a large blue and white grid globe is centered. Two white commercial airplanes are flying in the sky, one on the left and one on the right. Below the globe, a large cargo ship is docked at a pier. In the foreground, several semi-trucks are driving on a road. To the left, there are stacks of colorful shipping containers. The background shows a city skyline with tall buildings. The entire scene is overlaid with a semi-transparent orange and red gradient.

Pan World Shipping Services will cater to all business needs at the most reasonable pricing for clients worldwide.

## **AIR FREIGHT**

Because of the time and precision, it takes for air freighting, we have developed a comprehensive service explicitly made for fulfilling the requirements of our clients. We do it by fulfilling and learning about the exact objectives associated with our client's external and internal needs.

Products that are sensitive and prone to going bad are usually in need of extreme time pressures and usually have tight deadlines. Due to this, our Pan World Shipping Services experts have developed a tailored service plan for our clients and administered the appropriate operational handling procedures that help us to ensure high-quality services. We are offering our service from INDIA to RUSSIA, CIS, UAE, CHINA, EUROPE, SOUTHEAST ASIA, GEORGIA & FAR-EAST.

Our working professionals follow every shipment to update our clients with real-time status reports of the whole shipment process to avoid missing out on the shipping process. For heavy-duty cargo by Sea, we deploy our expert team to handle the part and full charter service along with complete door-to-door delivery on an international level.

**SEA-FREIGHT**

We at Pan World Shipping Services are equipped with a massive network for all types of cargo and shipments globally. We will offer solutions for all types of sea shipping needs and door-to-door service. We have extensive containers that will help you choose the suitable container for your shipping needs. With our experience and expertise, we have full knowledge of the type of merchandise that you can send and the appropriate shipping process, necessary paperwork, how you will receive the vessel, and necessary moves to make when things go wrong.

We are offering our service from INDIA to RUSSIA, UAE, CIS, CHINA, EUROPE, SOUTHEAST, ASIA, GEORGIA & FAR-EAST.

CIS: Uzbekistan, Turkmenistan, Tajikistan, Kyrgyzstan, Azerbaijan & Armenia

## **RAIL FREIGHT**

We at Pan World Shipping Services specialized in railway transportation services between India, Russia, CIS, China, Europe Reasons. Our extensive amount of expertise and knowledge in the Russia, CIS, Chinese, and Europe railway networks and freight payment code lets us respond timely and professionally to all kinds of complicated needs of our clients.

We will also provide you with the railway transportation of the breakbulk, oversized, and heavy cargoes with equal efficiency. Pan World Shipping Services has direct business relationships and general service agreements with the CIS regional railway companies. Over the past years, Pan World Shipping Services has developed and formed great relationships with Russian, Chinese and European railways and outsourced various conventional railway wagons, which refer to sections and fitting platforms directly from the rail road companies.

## **ROAD FREIGHT**

Most of the transportation chain comes with trucking at the beginning of the end. Our integrated transportation and logistics have road transportation services connecting most major Russia, China, Middle East and CIS trade centers into a single network.

We are one of the most leading FTL and LTL operators CIS offering regular, scheduled departures from most major cities in the Russia, Middle East, China, CIS, Turkey, and Europe. Additionally, we are equipped with a dedicated division that handles dangerous and perishable goods.

**MIDDLE EAST: SAUDI ARABIA: RIYADH, JAZAN, JEDDAH, DAMMAM, OMAN: SALALAH, SOHAR, MUSCAT, QATAR, DOHA.**

**RUSSIA: MOSCOW, SAINT PETERSBURG, VELIKIYE LUKI, NOVOROSIYSK, VLADIVOSTOK.**

## CUSTOM CLEARANCE

In the worldwide marketplace, the ever changing demands on the production and delivery schedules have increased Custom House Brokers' responsibility to offer professional custom clearance services. We are widely recognized as amongst the leading customs brokers in the Middle East and CIS. We have robust professional bonds with government companies.

Our privileged status comes with advantages regarding negotiating the difficult consignments and dealing with the bureaucratic challenges in the Middle East and CIS.

Regardless of the speed at which the consignments reach the CIS destination points, documentation process, and complex customs, indefinite delays cost heavy storage charges to the consignees. Our customs brokers are trained and can understand complicated customs procedures in each specific operation area. Our custom team of expert brokerage will take full responsibility for ensuring that the correct documentation is prepared well in advance of most export and import deadlines to avoid time-consuming and costly delays.

## WAREHOUSE MANAGEMENT

We provide secure storage facilities at all key the Middle East and CIS destinations. Our warehouses are one of the safest places for depositing the goods. There are two causes for this: for security. It is equipped with electronic theft and fire alarms backed by security guards. In addition to the normal hygiene standards, we offer our clients the certificates to assure them of the constant checks that our specialists execute. All products and goods are secured to remain in the warehouse as long as our clients want.

Our extensive warehousing and distribution will pick, store, pack, and distribute consignments anywhere in the region by highly efficient transportation modes. Our special warehousing facilities for household goods and personal effects are accessible with Pan World Shipping Services.
