OUR VISION

- Our vision is to become an exceptional service organization. This vision will be built on an unwavering and unending focus on our customers.
- We will amaze our customer with service standards that far exceed their expectations, and we will measure our success through our customers' words, not ours. As an exceptional service organization, we will maintain and expand long-term relationships with valued customers and obtain high levels of profitable growth in that process.

OUR SERVICE

- With experience and an industry-wide reputation for service quality, **PND LOGISTICS** provides our customers market-leading freight transportation services. Our comprehensive portfolio of freight-forwarding solutions includes Air and Ocean freight consolidation, Sea-Air service, customs brokerage, cargo insurance, charter service, warehousing, and distribution.
- Regardless of complexity, size or scope-from global network management to a single transaction- PND LOGISTICS's solutions are customized to meet your unique supply chain requirements, Leveraging strategic alliances with major air, ocean and truck carriers, standardized global operations and localized expertise, we are able to offer you a means of transport that is both cost-efficient and time-definite.

AIR SERVICE

- **PND LOGISTICS** air freight solutions include year-round capacity guarantees, charter, freight consolidation, cargo insurance, terminal handling, port-to-port freight security, and guaranteed end-to-end shipment visibility. Our operations cover more than 100 countries around the world and provide services to and from all key markets.
- **PND LOGISTICS** global airline partnerships are awarded based on the specific price, transit time, fixed allocations and lift capacity of carriers in each major trade lane and their ability to add efficiency to our clients' supply chain management. Our clients cite our superior transit times, choice of flight routes, highly competitive rates and ability to offer logistics solutions as keys to their high level of satisfaction in PND LOGISTICS.
